H Street Main Streets' Neighborhood Commercial Service Area includes three significant corridors, Bladensburg Road, H Street, and Benning Road. These corridors have faced unprecedented times and challenges brought to light by the Covid-19 Pandemic; this year, we have begun to identify the first phases of post-Covid19 challenges, shortcomings, and successes of the businesses in our service area as the Pandemic comes to a head. Our staff has been working continuously throughout the Pandemic nonstop.

Attracting employees back to the workplace and the shortage of supplies and food products has been challenging. This year we continued dialogue with our legislators to set policies that assist businesses in reopening and in direct contact with business owners and managers in the service area to determine their needs.

We participated in citywide focus groups, steering committee dialogue, and virtual meetings, and we provided studies and promotional activities that assisted businesses in our service area. In addition, our staff successfully helped business owners with grants, loan applications, loan forgiveness, lease adjustments, façade improvement, repairs, staff support, and DCRA and DDOT permit assistance and license renewals. We also partnered with MPD to address the increase in burglaries and the anticipated increase in crime in the area, and we formed a partnership with DBH to focus on mental health awareness.

Coming out of the Pandemic, we successfully hosted the 16th Annual H Street Festival, attracting nearly one hundred twenty thousand attendees throughout the day, and a week afterward, we hosted the Art All Night on H festivities. Despite what we have gone through, it's been a great year, with many new businesses and potential lease signing; we look forward to balancing our challenges for good.

As we enter a new year together, we believe the activities in 2022 will help us further define the upcoming challenges we will face during the next few years. But, no matter our challenges, together, we will work to overcome them.

H STREET MAIN STREET CLEAN TEAMS

Funded by the Department of Small & Local Business Development, H Street Main Street managed 2 Clean Team grants in conjunction with Central Union Mission (CUM). The areas covered H Street and Benning Road Ward 6.

In 2021, our team collected nearly 40 tons of trash and debris. During summer heat and through winter storms, H Street Main Street Clean Teams worked year-round to keep sidewalks free of litter, leaves, snow and removed unattractive graffiti and weeds along the commercial corridor.

Art All Night DC is known for its vibrant and inclusive atmosphere, allowing residents and visitors to explore different neighborhoods, discover new artists, and experience a wide range of artistic disciplines.

The event typically attracts a diverse crowd and is free and open to the public. It is typically held during an evening and night, spanning several hours, where participating venues and public spaces throughout the city come alive with creative activities.

The H Street Festival celebrates the vibrant culture, businesses, and community of the H Street NE corridor. It features a wide array of activities, attractions, and entertainment for people of all ages.

The H Street Festival attracts a large and diverse crowd, offering a festive and inclusive atmosphere. It provides an opportunity for locals and visitors to come together, explore the neighborhood, support local businesses, and celebrate the unique character of H Street NE.

**Small Business Saturday** was held in November with over 10 participating businesses.

**Holiday Market** on H was held at Bond Collective in December with over 20 participating vendors and hundreds of attendees.

Every year, an outside accounting firm completes an audit of H Street Main Street's financial activities. The audit forms the basis for the Form 990 tax return that all nonprofit organizations must file with the IRS.
